

FSMP

Fondation Sciences
Mathématiques de Paris

Missions

Support research in mathematics

Train the future mathematical elite

**Facilitate collaborations between
researchers and companies**

**Make mathematics more accessible
to the general public**

**Enhance the role played by
mathematics in business, other
branches of science, and society**

**Excellence
of research**

**High level
training**

A Network of excellence

Paris Graduate School of Mathematical sciences (PGSM)

- **Scholarships for Master students from all over the world**
- **Masters in Universities UPMC, Paris-Diderot, Paris-Dauphine, Paris-Nord, Paris-Descartes and ENS**
- **Call for applications: October - January every year**
- **Scholarship amount: 1 100 € / month**

Attracting and training the future mathematical elite

COFUND MathInParis: PhD fellowships

- **40 PhD grants of 3 years**
- **Deadline of the call: April 2018**
- **Salary: around 1 500 € / month and social insurance**
- **Eligibility conditions:**
 - **early stage researcher (first four years)**
 - **mobility condition: no more than 12 months in France in the last 3 years (before the deadline of the call)**

Post-doctoral program

- **One or two years in Paris**
- **Salary: 2 500 € / month and social insurance**
- **Call for applications: October - December every year**

**Recruiting the most talented
young mathematicians
from around the world**
